The inhabitants of greater Kalgachia and adjoining areas contributed liberally in cash and kind to translate the dream of a college for their posterity into the reality.

Starting with 25 students in arts stream in 1971 the college after completing its 10 years awesome journey has introduced science stream in 1981. Since its inception it has been advancing ahead to become a full-fledged premier institution of higher education in a lush green remote area imparting education at HS and under graduate level with major in all subjects for last 45 years. The college is also running the study centres of KKHSOU and Post Graduate courses in MA / MSc/MCom programmes under IDOL, GU.

Due to ceaseless effort of the college administration with active and dynamic cooperation of teaching and non-teaching staffs along with students' community and the general people of this locality, the college has achieved the present prestigious position and simultaneously assessed and accredited by NAAC with 'B' grade. At present the hallmarks of the college are regular classes, excellent results, strict discipline and amiable relationship of the teachers and students.

Still, a long journey has to be completed in serving the locality by providing its youths with quality education for converting them into perfect citizen of the nation. Let's join hands together in fulfilling our promises and responsibilities to the society for throwing out the darkness of illiteracy.

I wish this premier institution to be a centre of excellence in the days to come and invite cooperative action of all concerned for converting our dream to reality.
