Anti-Ragging – is our Principle

Ragging is defined by the Hon'ble Supreme Court of India in SLP No- 24295 dated 16-05-2007 and in Civil Appeal No- 887 of 2009 dated 08-05-2009 as "Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which cause or likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student."

NJC's Stand on Ragging:

Anybody found indulging in such activity within the Institute Premises or any part of the Institute system or abetting such activity is liable to punished and the punishment could include cancellation of admission and suspension or expulsion from the College.
